

Set in Malur's red soil, Brigade Cherry Blossom brings back something we often trade away for convenience: a sense of space, rhythm, and belonging.

Not far from Whitefield, and easily connected by Old Madras Road & Satellite Town Ring Road (STRR), it keeps you close to the city without being caught in it.

Here, Bengaluru's own Cherry Blossoms don't just visit you occasionally, they line your walk, colour your windows, and remind you to look up once in a while.

The layout reflects that intention: with plots that offer privacy, paths that invite pause, and enough space for life to unfold at its own pace.

It's not just well planned.

It's well placed... in nature, in community, and in time.

MULTIPLE DOMAINS. SINGLE-MINDED COMMITMENT.

DEEPENING OUR SUSTAINABILITY COMMITMENT.

NET ZERO EMISSION BY 2045

At Brigade Group, our core philosophy centers around shaping a radiant future with responsibility and care. Every project we embark on is infused with deep reverence for our invaluable natural resources, and each initiative resonates outward to foster positive societal transformation. We don't merely design buildings; we architect a thriving tomorrow.

Brigade's journey towards a 'Net Zero Carbon Footprint by 2045' began with a comprehensive assessment of our carbon emissions. We are implementing extensive decarbonisation strategies, such as reducing energy consumption and transitioning to clean energy, which not only mitigates climate change but also creates numerous opportunities for sustainable growth. We are committed to preserving and enhancing biodiversity through green building designs, urban greening projects, and conservation efforts that protect the local ecosystem.

LOCATION MAP

NATURE. COMMUNITY. CONNECTION.

At Brigade Cherry Blossom, nature doesn't have to be invited in. It's already here... in the red soil, in the trees that bloom like a quiet reminder, and in the way mornings begin a little slower. This land brings together people who believe in shaping life at their own pace. Bound by the decision to root themselves in something lasting. And though it feels tucked away, nothing is out of reach. Not the city, not the comfort of being near what you need, not the feeling of being exactly where you're meant to be.
